**INDEPENDENT AUDITOR'S REPORT**

---

Board of Directors  
**Saving Moses**  
Centennial, Colorado

**Opinion**

We have audited the accompanying financial statements of Saving Moses (a Colorado nonprofit organization), which comprise the statements of financial position as of May 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of May 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saving Moses's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("US GAAS") will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# **SAVING MOSES**

## **NOTES TO FINANCIAL STATEMENTS**

### **MAY 31, 2025 AND 2024**

---

#### **1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### Organization

Saving Moses ("Organization") is a global humanitarian organization to save babies (aged 0-5) by meeting the most urgent and intense survival needs in places where help is least available. The Organization was founded in 2010 by Sarah Bowling as a ministry within Marilyn Hickey Ministries ("MHM") and began operating as an independent organization as of January 1, 2012.

The Organization has three main programs which include Malnutrition, NightCare, and BirthAid. The Malnutrition program administers life saving therapeutic milk to babies and toddlers suffering from starvation. The NightCare program provides loving shelter and overnight care to the babies of sex workers when they are most vulnerable to abuse, neglect, and exploitation. The BirthAid program provides community-based education and skilled birth attendants in high conflict areas where the neonatal mortality rate is high due to lack of birth education and low access to healthcare.

##### Basis of accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

##### Use of estimates

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from these estimates.

##### Cash and equivalents

For purposes of the financial statements, the Organization considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

##### Investments

Investments having a readily determinable fair value are carried at fair value. Interest and dividends are recorded on the accrual basis. Gains and losses are recognized when incurred and included in the statements of activities. Donated investments are recognized at the estimated fair value on the date of the donation.

See independent auditor's report.

**SAVING MOSES**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 31, 2025 AND 2024**

---

Property and equipment

Acquisitions of property and equipment with an original cost of \$3,000 or greater and useful lives exceeding one year are capitalized and recorded at cost, or fair value, if donated. Property and equipment are depreciated using the straight-line method over an estimated useful life of five years.

Net assets

The financial statements present information regarding the financial position and statements of activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions consist of resources available for use in operations. Net assets with donor restrictions consist of resources restricted by donors as to purpose or by the passage of time. As of May 31, 2025 and 2024, the Organization did not have any net assets with donor restrictions.

Contributions and grants

In accordance with US GAAP, contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence and/or nature of donor restrictions, if applicable. Contribution revenue is recognized when cash is received, when unconditional promises are made, or when ownership of contributed assets is transferred to the Organization. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributed nonfinancial assets

Contributed nonfinancial assets are recorded at the respective fair values of the goods or services received at the date of donation. In addition to contributed nonfinancial assets, volunteers contribute significant amounts of time to program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by US GAAP.

Functional expenses

The costs of providing the various program services and supporting activities have been summarized on a functional basis in the statements of activities and functional expenses. These

See independent auditor's report.

**SAVING MOSES**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 31, 2025 AND 2024**

---

expenses require allocation on a reasonable basis that is consistently applied. Any costs that could be directly assigned to a specific function are allocated to that function. The expenses that are allocated include salaries and benefits and other costs, which are allocated based on an estimate of time and effort spent.

Advertising

The Organization expenses advertising costs as incurred. Advertising and marketing expense for the years ended May 31, 2025 and 2024 totaled \$174,000 and \$174,000, respectively.

Income taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code ("Code") and is not a private foundation under Section 509(a)(2) of the Code. The Organization evaluates the effect of uncertain tax positions, if any, and provides for those positions in accordance with the provisions of FASB ASC Topic 450, *Contingencies*. No tax accrual for uncertain tax positions has been recorded as management believes there are no uncertain tax positions for the Organization.

Subsequent events

Management has evaluated subsequent events through the date of the independent auditor's report, the date on which the financial statements were available to be issued.

**2. LIQUIDITY AND AVAILABILITY OF RESOURCES**

Financial assets available to meet cash needs for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date comprise the following as of May 31,:

	<b>2025</b>	<b>2024</b>
Financial assets at year end:		
Cash and equivalents	\$ 199,795	\$ 485,896
Investments	<u>535,666</u>	<u>491,340</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 735,461</u>	<u>\$ 977,236</u>

As part of the Organization's liquidity management plan, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

See independent auditor's report.

**SAVING MOSES**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 31, 2025 AND 2024**

---

### **3. INVESTMENTS AND FAIR VALUE MEASUREMENT**

US GAAP defines fair value and establishes a framework for measuring fair value and disclosure regarding fair value measurements.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Therefore, the term "price" refers to the exit price as opposed to the entry price, which is the price paid to acquire the asset or received to assume the liability. US GAAP also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value.

US GAAP describes three levels of inputs that may be used to measure fair value:

**Level 1** - Quoted prices in active markets for identical assets or liabilities

**Level 2** - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities that are based on inputs not quoted in active markets that can be corroborated by observable market data

**Level 3** - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy:

The fair values of fixed income mutual funds, exchange traded funds and equity are based on quoted market prices; treasury bills are based on other relevant information generated by market transactions.

Fair value of assets measured on a recurring basis is as follows as of May 31,:

	<b>2025</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Fixed income mutual funds	\$ 313,553	\$ -	\$ 313,553
Exchange traded funds	215,887	-	215,887
Equity	6,226	-	6,226
 Total investments, at fair value	 \$ 535,666	 \$ -	 \$ 535,666

See independent auditor's report.

**SAVING MOSES**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 31, 2025 AND 2024**

---

	2024		
	Level 1	Level 2	Total
Fixed income mutual funds	\$ 403,816	\$ -	\$ 403,816
Treasury bills	- -	81,564	81,564
Equity	5,960	- -	5,960
Total investments, at fair value	\$ 409,776	\$ 81,564	\$ 491,340

Total investment income consists of the following for the years ended May 31,:

	2025	2024
Interest and dividends	\$ 23,537	\$ 19,330
Net realized and unrealized gains	5,410	9,200
Investment income	\$ 28,947	\$ 28,530

#### **4. PROPERTY AND EQUIPMENT**

Property and equipment consist of the following as of May 31,:

	2025	2024
Computer equipment	\$ 5,219	\$ 5,219
Accumulated depreciation	(4,111)	(3,067)
Property and equipment, net	\$ 1,108	\$ 2,152

Depreciation expense related to property and equipment totaled \$1,044 for both years ended May 31, 2025 and 2024.

#### **5. CONTRIBUTED NONFINANCIAL ASSETS**

The value of donated supplies and services included in the financial statements as contributed nonfinancial assets and the corresponding expenses consist of the following for the year ended May 31,:

	2025	2024
Airtime and production	\$ 85,505	\$ 69,373

See independent auditor's report.

**SAVING MOSES**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 31, 2025 AND 2024**

---

The Organization recognized the above contributed nonfinancial assets in the accompanying statements of activities and functional expenses for the year ended May 31, 2025. None of the contributed nonfinancial assets were received with donor restrictions.

The Organization uses an estimate of fair value to measure contributed nonfinancial assets. Contributed airtime and production is provided to the Organization by MHM and represents the value the Organization would have paid for similar services.

**6. CONCENTRATIONS**

Cash and equivalents

The Organization maintains its cash and equivalents in bank deposit accounts in which the deposits are guaranteed by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At certain times during the year the Organization had deposits in excess of FDIC limits. This risk is managed by maintaining deposits with high-quality financial institutions. The Organization does not anticipate nonperformance by these institutions.

**7. RELATED PARTY TRANSACTIONS**

During the years ended May 31, 2025 and 2024, the Organization paid MHM \$0 and \$38,958, respectively, for airtime and production.

During the years ended May 31, 2025 and 2024, MHM contributed airtime and production to the Organization totaling \$85,505, and \$69,373, respectively, which has been included in nonfinancial contributed assets on the statements of activities and functional expenses.
